

Global Warming? Never Waste a Crisis!

**Is our planet really warming?
Is man causing Climate Change?
Is Al Gore full of hot air?
What do real scientists have to say?
Who is pushing the alarmism?
What do they have to gain?**

Face it. Climate Change alarmism is a scam. Yet, media is hyping it, schools are teaching your kids about it, and politicians are using it to raise your taxes and undermine our national sovereignty. To question it has become blasphemy! Well, join with us on May 17 to get some answers.
